

Login Instructions

Login Instructions

Bar-Ilan's Moodle website can be found at: <http://lemida.biu.ac.il>.

Type in your username and password in the log-in block at the right side of the screen:

Username:

For international students - Typically consists of the first 8 digits of your passport number.

For Israeli citizens – type in your ID number (“Teudat Zehut”)

Password

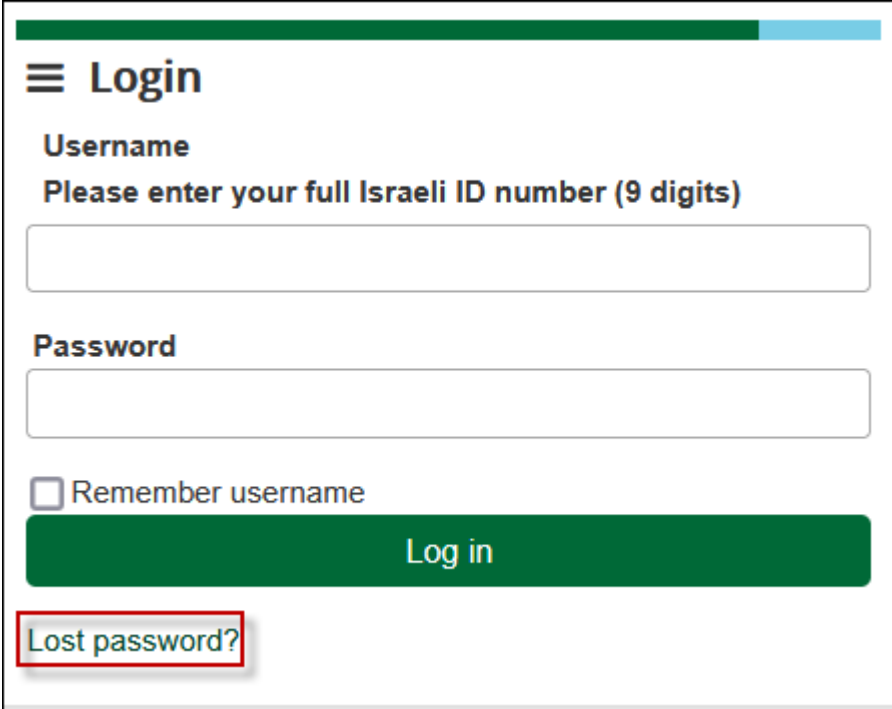

Password reset is necessary upon first entry and is done via the IT department website. A password reset will affect all university related systems, including:

- Classes, laboratories and department resources
- “Priel”, In-Bar, and other student related systems
- Athens and access to academic repositories
- Office 365

Creating a new password using the password reset wizard

Password reset:

1. A password reset may be necessary in the following cases: upon first entry to Moodle or any other university related online portal, password loss or in case your account has been locked. To access the password reset wizard, click the “Lost Password?” link marked below.

The screenshot shows a login interface with a dark green header bar. Below the header, there is a hamburger menu icon followed by the text "Login". The form contains two input fields: "Username" with the instruction "Please enter your full Israeli ID number (9 digits)" and "Password". Below these fields is a checkbox labeled "Remember username". A dark green "Log in" button is positioned below the checkbox. At the bottom of the form, a link labeled "Lost password?" is highlighted with a red rectangular border.

2. The next page will appear in Hebrew by default. Press the Israeli flag button to change the language back to English.

כדי ליצור סיסמה חדשה, נא להזין מספר תעודת זהות (9 ספרות כולל אפסים מקדימים וספרת ביקורת) או מספר דרכון לאזרחי חוץ. בנוסף יש להזין מספר טלפון נייד או כתובת דוא"ל פרטית. נא לשים לב, אם מספר הדרכון קצר מ-9 תווים, יש להשלים ל-9 תווים ע"י הוספת אפסים משמאל.

To change a language, click the flag at the bottom of the screen

מספר זיהוי*
מספר זיהוי חייב להכיל 9 ספרות (עם אפסים מובילים)

יש לבחור טלפון נייד או כתובת דוא"ל פרטית כפי שרשומים במערכות האוניברסיטה

טלפון נייד כתובת דוא"ל פרטית

טלפון נייד*
ספרות בלבד, ללא מקף

המשך

הזמן שנותר לניתוק אוטומאטי מהמערכת: 14 דקות • עברית

Locale Selection ✕

English - English 🇺🇸

עברית - Hebrew 🇮🇱

3. Fill out your passport number or T.Z. in the first input line. In the second input line, type in either your email address or your phone number. You can toggle between by pressing their adjacent circle. Press “**Continue**” when you are done.

To create a new password, please enter your ID number (9 digits including preliminary zeros and audit digits) or passport number for foreign nationals and choose mobile or email
For help: faculty - please contact the department's computer consultant, students - please contact the **student service center**.

ID*

ID must include 9 digits (with leading zeros)

Please choose one of the following, as appear on the University systems

Mobile Email

Mobile*

Numbers only

4. In the next page, type in the one-time password you have just received and press continue.

To verify your identity, a security code has been sent to your mobile phone and/or your private email address. Please click the link in the email or copy and paste the security code here.

Security Code

5. Now you can set up a new password. The requirements are:
 - You can only use Latin characters.
 - The password is case sensitive.
 - A password include between 8-12 characters
 - The password must include at least one capital letter, one lowercase letter and one number.
 - A password may not include a character that is not either a Latin character or a number.
 - A password may not contain the same character for more than twice in a row. For example, you cannot include the string “aaa” in your password.
 - The password may not contain your name or your user ID.

Now that you have changed your password, you can log into your account with your new password.

In case you have not succeeded in resetting your password after following the instructions, you may contact SHEMA department at 03-531-7000 for further assistance
